## PARTS LIST

| No. | Description                  | Qty |
|-----|------------------------------|-----|
| (1) | Driver corner storage bag    | 1   |
| (2) | Passenger corner storage bag | 1   |

## USE AND CARE INFORMATION

- The weight of the cargo must not exceed the following maximum weight capacity:

**Maximum Weight Capacity: 2 lb per bag**

- Clean this accessory with warm soapy water and a sponge or soft brush. Let it air dry.
- Do not use in a washing machine or dryer.
- Check the hook and loop straps periodically to make sure the corner bags are still securely installed.

- Secure the zipper with the elastic catch as shown.

## INSTALLATION

### NOTE:

- The bags are designed for DRIVER and PASSENGER side of upper cab frame installation. The zipper opening should be parallel with the outer cab frame bar with the logo facing out.

1. Tuck the driver side corner bag into the top curve of the upper cab frame bars as shown.

2. Loosely wrap one of the hook and loop straps around the upper cab frame. Start with the top straps then fasten the bottom straps.

3. Tighten all the straps to secure the bag

4. Repeat Steps 1 through 3 to install the passenger corner bag.
